Blue Ribbon Recognition is the overall academic standard of excellence for schools who close academic achievement gaps among student subgroups. This level of recognition identifies public and private elementary, middle, and high school schools based on their overall academic performances.

The mission of UHCS is to develop in each student the character, scholarship, and leadership necessary for success in life, college, and community. Our theory of change to educational excellence rests on our core beliefs which lead to our key school features and desired outcomes. Our community is built upon the foundation of our core virtues.

Dr. Lottie M. Watson, Supervisor of Special Academic Programs is part of the team that will lead the UHCS school community on our mission toward Blue Ribbon Recognition. Stay tuned for the next edition. It promises to be exciting and capture the essence of UHCS!
