

HOMEWORK/MAKEUP WORK

The Board of Trustees believes that homework relevant to material presented in class provides an opportunity to broaden, deepen or reinforce the pupil's knowledge. Teachers must use discretion in deciding the number and length of assignments. The board encourages the use of interrelated major homework assignments such as term papers, themes and creative art projects.

Homework shall not be used for punitive reasons.

Pupils absent for any reason must make up assignments, classwork and tests within a reasonable length of time. In most cases, a reasonable length of time shall be the same number of school days as the days missed.

Pupils being excused for any reason must make arrangements with the teacher of the missed classes in order to make up the work missed. This must be done before the absence from class.
