**LONG RANGE FACILITIES PLANNING**

To ensure that school facilities will be able to meet the future needs of the educational program, the Board of Trustees directs the Executive Director to develop procedures for collecting relevant information, including but not limited to:

- A. The changing educational needs of the school;
- B. Relations with the total community;
- C. Plant and site aesthetics;
- D. Changing makeup of district population as to age distribution, educational levels, etc.;
- E. Community planning and zoning;
- F. Financial ability of the school district;
- G. Safety and welfare of pupils;
- H. True economy reflecting full value for each tax dollar expended;
- I. Optimum access for disabled pupils;
- J. Relationship between projected new facilities and those already in existence.

Planning for major rehabilitation and remodeling will be incorporated into the school master plan on a scheduled basis.

**Substandard Facilities**

All existing school facilities will be evaluated annually for their suitability to current district needs. Any facilities found to be substandard according to the administrative code shall be corrected as quickly as possible in compliance with law.
